

A full-page photograph of a woman with long, dark, wavy hair, wearing a teal, draped, off-the-shoulder dress. She is looking directly at the camera with a serious expression, holding a cigarette in her left hand. Her right hand is resting on a glass table in the foreground. She is wearing multiple rings on both hands and a bracelet on her left wrist. The background is a dimly lit room with a window covered in horizontal blinds. To the left, there is a metal shelving unit with some items on it. In the foreground, on the glass table, there is a glass dome containing a red object and some papers. The word "INVU" is printed in large, white, sans-serif capital letters across the center of the image.

I've released a number of albums so far, but I'm still nervous and looking forward to it.

これまで数多くのアルバムを出しましたが、未だに緊張して、楽しみです。
今の'現在の私'に集中しようと努力しました。(歌唱部分や感情表現など)
